

THE GOOD SAMARITAN

A bread, a word, a hand...together we stand!

OUR MISSION

Our mission is to create the very first Food Bank on the Island that will centrally serve the various food counters and non-profit organizations serving people in need. We also believe that we can help others minimize the waste of foodstuffs, promote development of individuals and help them attain their full potential through different training and teachings.

WHO ARE WE?

Reginald "Choppy" Delapenha

Reginald is a high energy, fiscally conscious, goal-driven local businessman and philanthropist who approaches opportunities to serve his local businesses and his community alike; passionately – with an intrinsic flair for innovation, creative problem-solving, sustainable development objectives, and measured risk-taking to drive success. Reginald radiates a sincere passion for delivering value and benefits to his clients, customers, and most of all – his community. He welcomes the opportunity to launch the Cayman Food Bank to further enhance his local community.

Woodrow "Woody" Foster

Woody was reared with a good sense and value for food and community, which can be attributed to him seeing his father and uncle's hard work and dedication to the local grocery industry and community from an early age. Woody later joined them in the family grocery business where he worked diligently in every aspect of the business. Woody is passionate about his community and developing a systematic approach utilizing the grocery industry to alleviate hunger in both the near and long- terms. He currently serves on Board of Directors for the Foster Group, which includes companies such as Car City, Progressive Distributors Ltd. and Cico Avis Car Rental and looks forward to an active role in the success of Cayman's first Food Bank.

Rev. Charles Boucher

Rev. Charles and his wife Manon Papillon have dedicated their lives to helping others. In 1984 Rev. Boucher started his first church and has since served in integral roles within church communities throughout Quebec and Montreal, Canada – and most recently here in Grand Cayman - where he co-pastors at the First Assembly of God. He has successfully started or played a paramount role in several accomplished organizations to help those in need including two drug rehabilitative centers and three Food Banks - one of which his wife Manon served as founding member. Rev. Charles will provide invaluable consultative support as experienced Food Bank operator and look forward to launch the Grand Cayman's first Food Bank.
